

INDEPENDENT AUDITORS' REPORT

to the members of The Jersey New Waterworks Company Limited

We have audited the Company's financial statements for the year ended 31 December 2002 which comprise the Balance Sheet, Profit and Loss Account, Statement of Total Recognised Gains and Losses, Cash Flow Statement and the related notes 1 to 18. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with Article 110 of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

As described on page 11 the Company's Directors are responsible for the preparation of the financial statements in accordance with applicable Jersey law.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements, which have been prepared in accordance with United Kingdom accounting standards, give a true and fair view and are properly prepared in accordance with the Companies (Jersey) Law 1991. We also report to you if, in our opinion, the Company has not kept proper accounting records or if we have not received all the information and explanations we require for our audit.

We read other information contained in the Annual Report, and consider whether it is consistent with the audited financial statements. This other information comprises the Chairman's Statement, the Statement of Company Policy, the Directors Report and Statistics. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company as at 31 December 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies (Jersey) Law 1991.
